

Activities for Young People

Summer
2019

This biannual resource listing is provided by a collaboration of local organizations (including the Craftsbury Outdoor Center, WonderArts, Hosmer Point, and Center for an Agricultural Economy) to help families find summer activities in the OSSU and OCSU school districts. The list is a work in progress - help make the next edition even better by sending additions and edits to: activitiesforyoungpeoplevt@gmail.com. Individuals and organizations are encouraged to share this document online and in print.
